

DR. TARA MILLER

Dr. Tara Miller grew up in Texas where she completed her undergraduate studies at Rice University and medical school at Baylor College of Medicine. After finishing her pediatrics residency at Texas Children's Hospital, Dr. Miller moved to California for her dermatology residency at the University of California San Francisco. She continued her training at UCSF with a Mohs surgery and procedural dermatology fellowship under the direction of Dr. Roy Grekin. Dr. Miller is board certified in both Micrographic Dermatologic Surgery and Dermatology and is consistently named one of Top Doctors. While her main clinical focus is Mohs surgery and facial reconstruction, Dr. Miller also performs cosmetic procedures. When not treating patients, Dr. Miller enjoys running, biking on her Peloton, traveling, and raising her young family.
