

## **NANCY HSIEH, PA-C**

Nancy Hsieh, PA-C is a board-certified Physician Assistant with 10+ years of dermatology experience who received her Masters in Health Sciences from Duke University and her undergraduate degree in Molecular and Cell Biology from the University of California, Berkeley. During her studies, she found her passion lay with treating dermatologic issues especially skin cancers and thus pursued a career in dermatology practice. After completing her graduate degree studies at Duke University, she worked at a general dermatology practice in Virginia before moving back to the Bay Area where she grew up. She loves being a part of the Peninsula Dermatologic Surgery team and looks forward to helping all patients!
